Average annual increase for preceding three year period
(Average of October 2017, October 2018, October 2019, highlighted blue above): **1.466%**

Information About the CPI-U

The CPI-U is a price index released by the Bureau of Labor Statistics. The 36 month period of 1982 - 1984 = 100 (base). More information about this data product is available at <http://www.bls.gov/cpi/>. The CPI-U for the Philadelphia metropolitan area is released every other month. It is also not available seasonally adjusted.

The 12-month percent change as reported by BLS is only reported to one post decimal digit. The index itself is reported to three post decimal digits. To increase the detail in this report, the 12-month percent change is calculated from the index to three post decimal digits.

The CPI-U for the Philadelphia/Wilmington/Atlantic City metro area will next be released by the Bureau of Labor Statistics (BLS) on January 14, 2020 for December 2019. The December report will be available no later than Wednesday, January 15, 2020.
